Greetings Church Family:

As you can see this is a totally different format for my weekly newsletter. I am trying to improve the quality of the newsletter and doing some experiments and testing. I hope this one looks better and is more readable on your computer and/or smartphone. You can give me your feedback if you want.

I look forward to seeing you this weekend. Men's breakfast is always a good time on Saturday. Sunday is a full day, and I am continuing to preach on 1 Peter about how God's grace shows us in our lives. So have a good weekend and we will see you.

Pastor Phil Butler
